A heart gives you wings

Artikelnummer : EHF01HS1190L

Fly towards the sun - I give you the wings, you only have to trust me

Be enchanted by starlike glitter and fly towards the sun. Highest quality crystal and brilliant cut in unusual and exclusive shape.

When light hits the crystal, many points of light are produced. The facets refract light, providing strong color intensity and a great "rainbow effect";

The necklace is plated with high quality alloy with 18 carat white gold and is one of the highest quality in the fashion jewelry area.

Many allergies are connected due to nickel in jewelry, with white gold this is largely excluded.

Our offer is not a part of the jewelry collection by Swarovski, but it was made with genuine Swarovski crystals / elements in an own design! Swarovski Elements is the registered trademark of Swarovski for crystal elements

The arrow represents the power of thought and communication.

It also symbolizes the energy, patience, concentration, goal security, speed and determination. An artfully crafted piece of jewelry with Swarovski Elements.

A direction indicator or Cupid's love arrow?

A symbol for the sun to find hidden talents and abilities. The ancient Greeks used the silver arrow to search and find something. Moreover, they believed a silver arrow captures the lifestyle and goals.

The necklace is plated with high quality plating alloy with 18 carat white gold and is part of the highest quality in the fashion jewelry area.

Many allergies are connected due to nickel in jewelry, with white gold this is largely excluded.
